

## Deepcool G15 Thermal Paste/Grease #DP-GS-TP-G15

Product Id: 55.09.427.43

Regular Price 760

**Special Price 750**

### SPECIFICATIONS

Model	Deepcool G15
Type	Thermal Paste/Grease
Feature	The superb thermal performance of the G15 thermal paste is perfect for high performance CPU, GPU or other types of chipsets. The nanotechnology material makes the thermal paste stable, non-volatile and smooth to apply. G15 thermal paste is eco-friendly, non-conductive, and strongly corrosion resistant. Thermal paste filled in syringe packaging makes it easy to apply and store.
Use For	Processor Cooling
Others	Thermal Conductivity: 5.2 W/(m.K), Specific Gravity: 2.6 g/cm, Operating Temperature: -50 C to +240 C
Color	Gray
Warranty	No warranty
Part No	DP-GS-TP-G15
Made in/ Assemble	China
Country Of Origin	China
