

Thermaltake Toughram RGB 8GB DDR4 3200MHz White Desktop RAM #R022D408GX2-3200C16A

Product Id: 03.01.269.09

Regular Price 5,860

Special Price 5,400

SPECIFICATIONS

Model	Thermaltake Toughram RGB
Capacity (GB/TB)	8GB
RAM Type	DDR4
Bus Speed(MHz)	3200MHz
CAS Latency	16-18-18-36
Voltage	1.35V
Others	Color: White, MODULE TYPE: DIMM, COMPATIBILITY: Intel X299, 300, 200, 100 Series, AMD X570, PERFORMANCE PROFILE: XMP 2.0 Ready, Feature: Toughram RGB White Desktop RAM, 16.8M RGB color across 10 super-bright addressable LEDs for stunning RGB illumination, TT RGB PLUS, TT AI Voice Control, Razer Chroma, and Amazon Alexa RGB sync compatible, 10-layer PCB construction for enhanced overclocking performance and stability, High-performance brushed aluminum heat spreader for optimal heat dissipation, Real-time temperature, frequency and performance monitoring, 5V Motherboard RGB sync ready, Intel XMP 2.0 ready, Tightly-Screened ICs, High Quality Gold Fingers, Extra Sturdy with a Fine Touch, Illuminate and Impress
Warranty	Product life time
Part No	R022D408GX2-3200C16A
